	Letter No A3 C 6132/44-45 Dt 13-12-45 from the Dy Comm, Kathiawar, requesting sanction to remit a sum of Rs 150 due from Mr Bhavmane Thummah, Market Contractor Tankara, during the year 1942-43
"A"	In March 1943, the Dy Comm Kathiawar on the strength of the Tankara Town mtg Dt 13-2-43, recommended that a sum of Rs 640/- due from one Mr. Bhavmane Thummah, Market Contractor Tankara, being the balance of Khas for two months may be remitted
"B"	After obtaining further information from the Dy Comm, the Govt in their order No R 8390, Rev 108-42-62 Dt 12-2-44 stated that the Govt are not in favour of granting the remission as if it is granted on the ground of loss alleged to be due to Food Control operations it would create inconvenient precedent
"C"	Again in April 1945 the Mr Thummah petitioned to Govt for a reconsideration of the orders of Govt & he was informed in this office endorsement granted to him that there are no reasons for a reconsideration of the orders issued in the matter

Contribution Summit for the year 1942-43 was vetoed by the Govt. It is subsequently reported that the Govt has paid upto Rs 490/- out of the arrears due by them & remission is recommended in respect of amount Rs 157/, being the balance outstanding. It is within the limits of the Collector's powers to remit the remission but it seems to have been subject to the Govt's approval, as the proposal had once been declined by the Govt in the cases now reported, the result of the Survey should be awaited before any Contribution for 1942-43 may be approved

Sir,

Subject Regarding collection of Rs 150/- from Mr Bhavimane Thimmiah, Market Contractor of 1942-43

With reference to your No A3 C 6132 dated 21-11-45 calling for my report on the above, I have the honour to state that the matter was explained in detail with the connected records during your last visit to this town on 13-11-45 It is fact that the system of transport of controlled commodities from one place to another came into force only after the contractor took charge of his contract during the year 1942-43 Prior to that only the prices of the commodities were fixed and there was no restriction for movement of commodities as such In view of these unforeseen circumstances the contractor represented that he had incurred heavy loss and that he may be granted remission in payment of khist amount His application was referred to the Managing Committee and his accounts were examined by them In the meeting held on 25-1-43 they have resolved to grant remission of two month's khist to the contractor, that is Rs 640/-(Rupees six hundred and forty only) The council has by a majority upheld this recommendation on 13-2-43-

The Government order received in the above was communicated to the contractor and he was asked to pay up the arrears immediately He again presented an application explaining that he had incurred heavy loss during the period his contract in question which was evident from his accounts examined by the Councillors and that the remission granted by the councillors as before may be sanctioned even now On a consideration of the application of the contractor and the previous commitments made
